## ***From the Rockville Center Board***

Spring is here and summer is right around the corner! We are so excited to get everyone back to the pool this summer.

### **Key initiatives in progress (or completed):**

- We are currently hiring life guards (if you are interested, or know anyone who might be, please find applications on our website)
- Misty Colgin will be managing the pool for another season (we can't even begin to express our gratitude to Misty for her hard work and dedication to the Center)
- 2017-2018 membership forms have been distributed and are available on the website.
- Swim team registration forms are out and ready for your swimmers to become a part of the Rockville Racers
- Action plan is in place for Phase II of the pool renovation (more on that below)

### **Fund Raising for Pool Renovation**

- As always, many thanks to the donor who pledged \$100,000 for Phase I renovations and offered to match up to \$50,000 for Phase II). We are incredibly lucky to have folks like this in Rockville!
- We raised \$49,000, so the match was done. We want to call out some key people and initiatives that enabled us to hit our fund raising goals for last year.
  - 2016 Spring Fling organized by Nicole Rada and Lori Osborne
  - Partnership with Hanover Vegetable Farm, managed by Ann Bilby and Nicole Rada
  - Social Committee lead by Anne Martin and Liz VanNess

- Many families and individual donors
- Corporate Sponsors
  - West Creek Financial
  - Second Order Solutions
  - New Field Incorporated

Thank you, thank you, thank you to the donors and individuals that made these events and all of our fundraising efforts successful over the last year.

### **Pool Renovation (Phase II)**

We were hoping to break ground on Phase II this spring; however, due to scheduling, a need to complete additional fundraising, and some design challenges, the Board decided it was in the best interest of our membership to defer renovations till this fall. We are currently gathering additional bids and assessing the best design and price for Phase II. This phase will include the fun stuff: beach entry, bench seating within the entry, water features, more shaded areas, new diving board platform, concrete work and new lighting.

We look forward to seeing you the *Spring Fling on Sunday, May 21st!* Until then, have a great spring!
